

PETS FOUNDATION

2025 - 26
OUR YEAR IN HIGHLIGHTS

Our year in highlights

As one of the UK's largest supporters of pet welfare, we continue to provide vital funding and support to charities helping pets and the people who love them through increasingly challenging times.

Against a backdrop of rising costs and unprecedented demand for services, the Foundation helped charities across the UK continue providing vital support to pets in need.

Together, we're building a future where every pet is loved – one story, one partnership, one pawprint at a time.

Pets Foundation 2025-26, beyond the numbers

- **One of the UK's leading funders of pet welfare**, supporting more rescue and rehoming charities than any other funder in the sector.
- **Delivered vital support when it was needed most**, helping charities navigate rising costs and growing demand for their services.
- **Expanded our community impact**, with 410 partnerships connecting Pets at Home stores and local charities across the UK.
- **Awarded almost £2 million through our grant programmes**, helping charities rescue and rehome pets, and undertake initiatives to keep pets in need in loving homes.
- **Powered by our colleagues and customers**, whose generosity continues to make this impact possible.
